

The 'One'

2024 Edition

gointerstate.com.au

Made for exploring.

Now is the time to appreciate the beauty we have at home. Make your journey a comfortable one.

Your passport to affordable luxury

The 'One' is inspired by the Australian spirit of exploration and adventure. When you take delivery, you're not just receiving a vehicle. You're stepping into an impeccably designed home-on-wheels, brimming with included accessories that make every trip easy, safe, and comfortable.

What sets us apart?

Our secret is committing all our design efforts, components, and craftsmanship to the creation of one remarkable model. This singular focus, coupled with our innovative high-efficiency manufacturing process, lets us deliver a premium experience at an unbeatable price. It's not just about doing one thing; it's about doing one thing exceptionally well.

Built locally, loved nationally

Every new vehicle comes to life in our Newcastle production facility, right here in Australia. We are thrilled to offer you a product that's actively supporting the next generation of world-class Australian manufacturing.

Start your journey today

If you're ready to see travel through a new lens, book a test drive and experience the 'One' first-hand. Discover how we're redefining the Australian road trip.

Drives like a car, feels like a home

Redefine your road trips with the Interstate 'One'. Designed to handle like a car with the comfort of a home. Compact enough to park anywhere, ready for spontaneous escapes.

Grab the keys and embark on a weekend getaway, transforming ordinary days into extraordinary adventures with the 'One'.
